**WHAT IS
N2NCU?**

WHAT IS N2NCU?

NATION-2-NATION CHRISTIAN UNIVERSITY (N2NCU) is an online, video-based center for education and training to provide training for pastors and Christian workers around the world. It includes Biblical training, ministry training, and community development training.

Our N2NCU teachers are accomplished, educated leaders from multiple nations, who have had their most important courses filmed in the Nation-2-Nation film studios. Many of our teachers are bishops of entire countries or geographical regions. They are all evangelical and Spirit-filled.

Our community development curriculum is taught by professional doctors, dentists, agriculturalists, veterinarians, etc. They are established leaders in their respective fields and have served in developing countries throughout their careers.

We currently offer an associate and B.A. in biblical studies and ministry. We also offer a combined program culminating in an associate's and B.A. in community outreach development. Descriptions and video clips for many of our courses can be viewed online at: www.winministries.org/store.

Our team is constantly filming and developing new courses to add to the curriculum.

Our aim is to help train the eighty percent or more of Christian workers around the world who for various reasons are limited in their ability to attend a traditional, residential training school. We do this by providing video courses on our website and by providing access to download our video courses and use them in local churches.

We desire to empower churches to become centers of ministry training and community development training and outreach. We are continually at work translating our curriculum into the most widely used languages throughout the world.

N2NCU is a branch of World Impact Now (WIN) Ministries (Inc. 2005) and is currently involved in leadership training in countries around the world through the use of their own curriculum (the Nation-2-Nation Curriculum) and through a partnership that allows them to use the International School of Ministry (ISOM) curriculum.

DOCTRINAL STATEMENT

- We believe that the Scriptures are inspired by God.
- We believe there is One True God revealed in three persons.
- We believe in the deity of the Lord Jesus Christ.
- We believe man willingly fell into sin – ushering in evil and death both physical and spiritual into the world.
- We believe every person can be restored to fellowship with God through accepting Christ’s offer of forgiveness and salvation.
- We believe the church has a mission to seek and save all who are lost in sin.
- We believe in the baptism of the Holy Spirit and in the continuing ministry of the Holy Spirit as evidenced in charismatic gifts and in the fruit of the Spirit in the life of the believer.
- We believe in a final judgment for those who have rejected Christ.

ACCREDITATION

Nation -2- Nation Christian University (N2NCU) is a subsidiary of WIN Ministries, Harlingen, Texas.

“Accreditation is a process by which an institution evaluates its educational activities, in whole or in part, and seeks an independent judgment to confirm that it achieves its mission and goals and is generally equal in quality to comparable institutions or specialized units.” (ABHE.org)

Our N2NCU professors are accomplished and well-educated leaders from multiple nations, who have had their most important teachings filmed in the Nation-2-Nation film studios. Many of our professors are bishops of entire countries or geographical regions. Most hold doctoral or master’s degrees. Our community development instructors are Christian professionals, doctors, dentists, veterinarians and agriculturalists.

As a result, the N2NCU curriculum is undergirded by strong academic standards. It is designed to enable the student to reach his or her highest potential in ministering the Gospel of Jesus Christ to His church and to non-Christians. Accreditation is an external evaluation of our peers, which is intended to verify that we, as an educational

institution, are appropriately meeting or exceeding our stated educational goals and objectives. Accreditation ensures that a school is offering a quality program.

N2NCU offers a Biblical education, granting degrees in biblical studies and ministry (of the Gospel of Jesus Christ). Therefore, the peers of N2NCU are Christian organizations and associations of Christian educators. Nation-2-Nation Christian University does not offer degrees in non-religious vocations.

N2NCU is accredited with Christian Accreditation International and Ethnos Accrediting Association. Both are private Christian accrediting commissions.

Nation-2-Nation Christian University is also a certified member of the Academic Council for Educational Accountability.

Our degrees are not meant to prepare people for secular employment, instead they are religious degrees that prepare students for service in ministry. These degrees are for ministry and might not be accepted by secular employers for jobs. It is also unlikely that institutions that hold recognized government accreditation will accept the credits for transfer.

However, various Christian universities and seminaries throughout the United States of America may accept transfer students, credits, and degrees from N2NCU. These may include institutions such as:

- Covenant Theological Seminary (www.gocovenant.com)
- Christian Leadership Institute (www.cluonline.com)
- Vision International University (www.vision.edu)

LEGAL STATEMENT

Degree program(s) of study offered by Nation-2-Nation Christian University have been declared exempt from the requirements for licensure under provisions of “Religious Exemption” found in Texas Education Code, Section 132.002(a)(2) as regulated by the Texas Workforce Commission. Exemption from licensure is not based upon any assessment of program quality under established licensing standards.

All degrees of Nation-2-Nation Christian University are of an

ecclesiastical nature and, whether granted or conferred, are in the restricted area of religion with the special purpose of preparing persons to work in the area of religion, whether educational or ministerial; they are not designed to be used in general academic circles.

In some states in the United States, non-government accredited degrees may not be used for job advancement or on resumes, business cards, job applications and letterheads. These states include (but are not necessarily limited to), Alabama, Nevada, New Jersey, Oregon, Washington, and North Dakota.

Transferability of credits earned at Nation-2-Nation Christian University and transferred to another institution is at the discretion of the receiving institution. The degree programs of this seminary are designed solely for religious vocations.

N2NCU is not accredited by a U.S. Department of Education-approved accrediting agency nor is it accredited by a government-recognized accrediting agency. Government accreditation is not required for the religious vocations in which we train.

APPLICABILITY

Nation-2-Nation Christian University provides students with an education designed to prepare them for the work of Christian ministry.

Students will find that our courses are very applicable in their work and their lives as they respond to the call which God has for them. Thousands of students around the world and in the United States have used N2NCU to prepare them to enter ministry or for promotion into positions of ministry and leadership in churches and church denominations.

The desire of the board, staff, and faculty of N2NCU is to equip each Christian, church, and church denomination for the call and purpose that God has for them.

“...Therefore, go and make disciples of all the nations [...] Teach these new disciples to obey all the commands I have given you. And be sure of this: I am with you always, even to the end of the age.” – Matthew 28:19–20 NLT

COURSE SYLLABUS

Each Course has a Course Syllabus. It is recommended that the student review the Course Syllabus and refer to it when wishing to see those activities for which grades are given. The Course Syllabus tells you what to expect in the coming weeks. It gives information about the instructor and course is about and highlights the Course Objective. The Course Syllabus informs you of coming topics and assignments. It also gives you guidelines on how each activity is graded.

Please review the course syllabus for important information.

THE STUDENT NOTES

The Student Notes is one of the core activities for each course. The student notes are in PDF and/or a web format and can be viewed with the video lesson. Students in the degree program may print the student notes for reference. The student notes are a required activity and must be viewed in their entirety for each session.

THE VIDEO LESSON

Each Lesson Lesson has three core-required activities:

THE VIDEO LESSON

The Video Lesson is the core of every lesson plan. The video lesson consists of the lesson for each session of each course and is taught by one of our many learned, active pastors, missionaries, bishops or doctors. The student is required to view every video lesson in the course sessions in its entirety.

THE SCRIPTURE ASSIGNMENT

Each course session is given a Scripture Assignment. The Scripture Assignment is presented in the Lesson Plan. The student is required to complete the Scripture (Reading) Assignment for each session.

THE QUIZ

Each session contains a quiz. The quiz is a true/false and/or multiple-choice activity reviewing the Video Lesson and Student Notes. The quiz will prepare the student for the final exam. The quiz is graded and must be completed by the student.

DISCUSSION GROUPS

Each session consists of three to four Discussion Groups. Because Nation-2-Nation is designed to function without teacher or administrator interaction and requires little to no writing, it is absolutely essential that the student complete the Discussion Group assignment. We encourage each student to go above and beyond the required number of posts and be as ambitious in answering the forum question as the student is able.

In addition to these activities, sessions may have additional readings, scripture memorizations or journaling activities.

TESTIMONY REQUIREMENTS

It is the policy of N2NCU to ask for testimonies from our students as a requirement for course completion. More than a policy, we **love** to hear what Our Lord Jesus Christ is doing in and through His people. Below you will find the Instructions for submitting your unique testimony. We can't wait to hear from you!

Please provide no less than one (1) paragraph for the Testimony Assignment.

Please answer one (1) or more of the following questions in the corresponding forum.

- What is the most important knowledge that you received from this course?
- How has this course changed the way you see things or made a real difference in your life or ministry?
- How has this course **helped you to help others**? For example, how has it opened up areas of ministry, encouraged you in evangelizing, given you more faith to practice your gifts in the Holy Spirit? Helped you to love your wife, your congregation, or your neighbor? Think in these terms and share your testimony with us.
- If you are an overseer, pastor, evangelist or anyone involved in active ministry, please share **any** meaningful testimony of how the **N2NCU** training has changed or helped your life or ministry.

PRACTICAL MINISTRY REQUIREMENTS

Practical Ministry is a requirement of Nation-2-Nation University. N2NCU requires that each student **complete no less than two (2) hours of Christian service per CREDIT hour for each semester of course work**. This works out to a minimum of 20 hours of ministry in a typical semester.

Practical Ministry is defined as the following activities:

- Youth/Children Ministry
- Worship Ministry/Prayer/Intercession
- Community Outreach
- Practical Help (i.e. cleaning, repairs, building, set up, project participation)

Twice per course the student will find:

HOW TO BE A SUCCESSFUL STUDENT

*What makes a successful
Nation-2-Nation Online Student?*

HOW TO BE A SUCCESSFUL STUDENT

THE GENERAL RULES

SELF-MOTIVATION AND SELF-DISCIPLINE

Success in online courses requires commitment and discipline. Because you will not be sitting in a classroom on a regular basis, you must be self-directed and conscientious about completing assignments. Good time management is an important factor in your success as an online student.

WILLINGNESS TO CONTRIBUTE

Student of N2NCU should be willing to share their views in the forum discussions.

EXPECTATIONS FOR THE COURSE

Nation-2-Nation is designed to offer fully automated Lesson Plans assessable to people at varying levels of English literacy. We are unable to offer teacher support or interaction as a result we have made every effort to design the course in an easy-to-use-and-understand format with little-to-no writing required.

COMPUTER SKILLS

You should have a working knowledge of the following computer skills to be successful in an online environment:

- The ability to use Internet browsers
Examples: Internet Explorer, Mozilla Firefox, and/or Google Chrome
- A basic understanding of navigating websites.
- The ability to use email (and to create a new email address if necessary)
- A knowledge of where to find technical support for issues outside of Nation-2-Nation, i.e. computer, software or Internet problems.

CONFIDENCE IN ONLINE LEARNING

Online courses are not for everyone. If you feel that face-to-face interaction is always needed for learning, you may not feel comfortable in the online classroom.

COMMITMENT

Online learning requires your commitment. Committing yourself to completing your video session and the rest of the lesson plan in a timely manner is essential to the learning process.

ONCE YOU START

LEARNING SPACE

Find learning space that is free from distractions. You might consider your office, a public library, or a separate room at home.

SYLLABUS

Check each session to view your syllabus. The syllabus contains all the information you need to progress through a course, including the course description, objectives, course requirements, assignments and testing, uses of media and technology, and contact information.

COURSE DESIGN

When reading the syllabus, familiarize yourself with the course design to see if you can be a successful learner in that specific content area.

TECHNICAL REQUIREMENTS

Before your course begins, make sure you have a computer with adequate hard disk space, as well as an Internet connection.

TIME MANAGEMENT

Set aside sufficient time in your personal schedule to do the work of the course.

- Set up and stick to a study schedule.
- Set goals and deadlines for yourself.

Set interim (short-term) goals and deadlines for yourself.

Without reminders from other students and a classroom instructor, it is easy to fall behind. Procrastination may put you too far behind to

successfully complete the course.

STUDY SCHEDULE

Identify a study time for yourself when you are fresh, attentive, and free of distraction. Think of the study time as “reserved time” and stick to it regularly. If you miss too many study times, you should change your schedule.

STAY IN TOUCH

Log on to your course Web site often (preferably at least once a day) for e-mails, discussion topics, and school announcements. Find out who has commented on your postings, and read the feedback of other students. If you do not log on to your course discussion group often, you will fall behind.

ASSIGNMENTS

Your courses will have different forms of assignments. Make every effort to complete the additional assignments offered, memorize scriptures, record in the journal assignment, seek practical ministry opportunities, and study all the scriptural readings. Take notes while you are completing the readings and watching the videos.

PARTICIPATION

Make sure that you are actively participating in the course. The student is required to post on group discussions. Students must participate in the various lesson discussions available.

Initiate discussions whenever possible, always contribute your ideas and comments on the subject you are studying, and read about those of your classmates. You can gain great insight from your classmates, and they can learn from you as well.

SEEK ASSISTANCE

If you find yourself in need of help with your lessons, seek out a friend or acquaintance help you understand your course material or help you study for an exam.

ATTITUDE

Take your studies seriously and yield yourself to the work of God in you throughout the course sessions.

YOUR PROGRESS

During the semester, re-read the course objectives and standards

often to see how you are progressing with them. If you think you are falling behind, then adjust your study schedule accordingly.

TESTS/QUIZZES

Before you take a test/quiz, make sure you understand the information covered in the course assignments that will be the basis for a assessment. Review your results and learn from your mistakes.

APPLICATION

Try to apply and use what you learn in your online course as you learn it so that you will remember it more easily later. Attempt to make connections between what you learn and what you do. Real-world application helps you internalize what you learn. Your classmates may also benefit from hearing about your real-world experiences.

COMPUTER OR INTERNET PROBLEMS

Because Nation-2-Nation Christian University is designed to be fully automated, we are unable to provide a Help Desk for computer or Internet problems. It will greatly benefit the student to have someone in mind, a friend or relative, that could assist if they are experiencing computer-related problems.

However, if there is a technical problem specific to the school website such as a broken link, a study lesson that will not progress or similar problems directly related to the school website, the student can submit a trouble ticket. The student may submit a ticket at the Help Desk on the site pages.

ENGLISH

If English is not your first language, building your English language skills will be an important part of your education with Nation-2-Nation Christian University. To help assist those who need to improve their English speaking and reading skills, we offer a link to The English Club. Get started by taking the English skill test provided in this link: [Test Your English Level](#).
